Grade Level _____

Teacher's Subject Area _____

Please respond to the following questions after teaching a pilot lesson provided by the Santa Paula Art Museum. Your responses will help to strengthen lesson content and application. Thank you.

Using a scale of one to five, where one is strongly disagree and five is strongly agree, please rate how much you agree with the following statements.

	Strongly Disagree			Strongly Agree	
1. The lesson was easy to adapt and teach.	1	2	3	4	5
The procedures described in the lesson were clear.	1	2	3	4	5
The lesson made relevant connections to standards.	1	2	3	4	5
The lesson was appropriate for my grade level.	1	2	3	4	5

Comments:

2. What additional connections to standards did you make to this lesson? (i.e. venn diagrams, writing prompts, math concepts, etc.) Please describe and note the specific standards. Use reverse if additional space is required.

3. How would you improve this lesson?

4. How comfortable did you feel when teaching this lesson?

very uncomfortable uncomfortable comfortable very comfortable

What, if anything, would increase your comfort level?

5. What supplementary materials could the museum provide to make it easier to teach this lesson? (i.e. additional background information about artwork and artist, supporting images, etc.)

Include additional comments on the reverse.

Please return completed questionnaires to Elizabeth Mackey at the next SPAM Teacher Advisory Committee meeting.
